Job Description- Bus Driver- Mystic Park

Company Overview

Elevation Parks is a multi-disciplinary team specialising in the design, construction, management, and operation of award-winning mountain bike and adventure tourism facilities. The Elevation Parks team has experience across hundreds of mountain bike and adventure tourism design, construction and management projects, including the award-winning Maydena Bike Park.

Elevation Parks has recently been awarded the contract to manage Mystic Park in Bright, Victoria. Mystic Park is an existing mountain bike facility, which will undergo major upgrades and expansion across the next several years. Elevation Parks will operate a full-service commercial bike park, servicing customers from across Australia and around the world with; uplifts, trail riding, bike hire, bike coaching, events, and food and beverage services.

Elevation Parks will undertake a significant capital expenditure program in Mystic Park, which is expected to drive strong visitation growth as exciting new trails, facilities, and programs are brought online.

The Elevation Parks team is united by a strong passion for mountain biking, and offers a supportive, fast paced, but fun workplace, where employees are rewarded with a wide range of employee benefits.

Bus Driver Role Overview

The Bus Driver will be responsible for providing transport for guests from the mountain base to a variety of drop off locations. Drivers will typically drive a 12-14 seat bus, towing a trailer loaded with bicycles.

The Bus Driver role will include the following key tasks;

- Provide a check in service for guests
- Drive buses to transport guests
- Follow traffic management plans and radio protocols

The Bus Driver will report directly to the Operations Manager

Essential Requirements

- Light Rigid Australian driver license
- Victorian or Tasmanian Public Passenger Vehicle license
- Working with Vulnerable People permit

Desirable requirements

- Tourism experience
- Mountain bike experience
