

MYSTIC

Job Description- Trail Crew

Company Overview

Elevation Parks is a multi-disciplinary team specialising in the design, construction, management, and operation of award-winning mountain bike and adventure tourism facilities. The Elevation Parks team has experience across hundreds of mountain bike and adventure tourism design, construction and management projects, including Maydena Bike Park.

Elevation Parks has recently been awarded the contract to manage Mystic Park in Bright, Victoria. Mystic Park is an existing mountain bike facility, which will undergo major upgrades and expansion across the next several years. Elevation Parks will operate a full-service commercial bike park, servicing customers from across Australia and around the world with; uplifts, trail riding, bike hire, bike coaching, events, and food and beverage services.

Elevation Parks will undertake a significant capital expenditure program in Mystic Park, which is expected to drive strong visitation growth as exciting new trails, facilities, and programs are brought online.

Elevation Parks has formed a special purpose company to manage Mystic Bike Park, Elevation Mystic Operations Pty Ltd (EMO).

The Elevation Parks team is united by a strong passion for mountain biking, and offers a supportive, fast paced, but fun workplace, where employees are rewarded with a wide range of employee benefits.
